**Subject:** Medicaid Swing Bed Rate for Calendar Year 2025

Swing beds are acute care beds used for nursing facility care as the need arises. The swing bed rate is calculated in accordance with the methodology established in 7 AAC 150.160(i).

The methodology for determining payments is based on the state-wide average long term care rate paid by Medicaid for the previous calendar year. The 2024 swing bed rate was \$848.11. The 2025 swing bed rate is established at \$920.31.

A breakdown of the rate is shown below.

SWING BED RATE SUMMARY

Component	2024	2025	% Change
Non-Capital	\$757.43	\$824.43	8.8%
Capital	90.68	95.88	5.7%
TOTAL	\$848.11	\$920.31	8.5%

The above figures are based on the best available data.
