

Department of Health  
Chart of End Stage Renal Dialysis Services Rates

**Effective July 1, 2024**

The following are Medicaid treatment payment rates for End Stage Renal Dialysis services. The rates are all-inclusive, except that erythrocyte-stimulating agents and parenteral iron replacement products are billed separately.

<b>Service</b>	<b>Treatment Rate</b>
Hemodialysis	\$442.45
Peritoneal Dialysis	\$140.54
