Regional Child & Youth Behavioral Health Summit

- **Mission:** Identify regional vision for behavioral health and make an implementation plan that incorporates existing resources with specific, actionable items to increase access to non-institutional care when possible, and appropriate institutional care with step down supports.
- Create a regional plan that will identify
 - community/region-specific needs;
 - current community/region resources;
 - how to improve connections/operations of community resources;
 - key gaps/barriers;
 - strategies and roadmap for addressing gaps; and
 - timeline and resource plan for buildout and implementation.
