

# BEHAVIORAL HEALTH ROADMAP PROJECT

## FOR ALASKA YOUTH

You are invited to participate in the upcoming **virtual** statewide event for the Behavioral Health Roadmap for Alaska Youth project. We appreciate your continued commitment to improving behavioral health services for children, youth, and families in Alaska.

As we continue to work towards strengthening the mental health landscape for young Alaskans, we are pleased to announce the date for the event:

**Date:** Tuesday, December 19, 2023

**Location:** [Virtual - Register today!](#)

**Meeting Time:** 2 to 5 p.m.

**Who should attend?** Local providers of youth services and supports, governmental authorities, and policymakers. During the session, we will concentrate on mapping available and ongoing resources, pinpointing service and accessibility deficiencies, and crafting actionable solutions. **Please feel free to share this invitation with individuals or organizations you think would be interested and contribute meaningfully to our discussions.**

**Additional Event:** At 6 p.m. on December 19, a **virtual** statewide community listening session will offer those with lived experience regarding behavioral health needs an opportunity to share their thoughts. Intended participants include anyone who has engaged with the behavioral health system for children/youth, including parents, grandparents, family members, youth, caregivers, and guardians. Members of the public wishing to participate can register for the meeting by using the following link: [Community Listening Session Registration Link](#).
