DPA – Eligibility Process

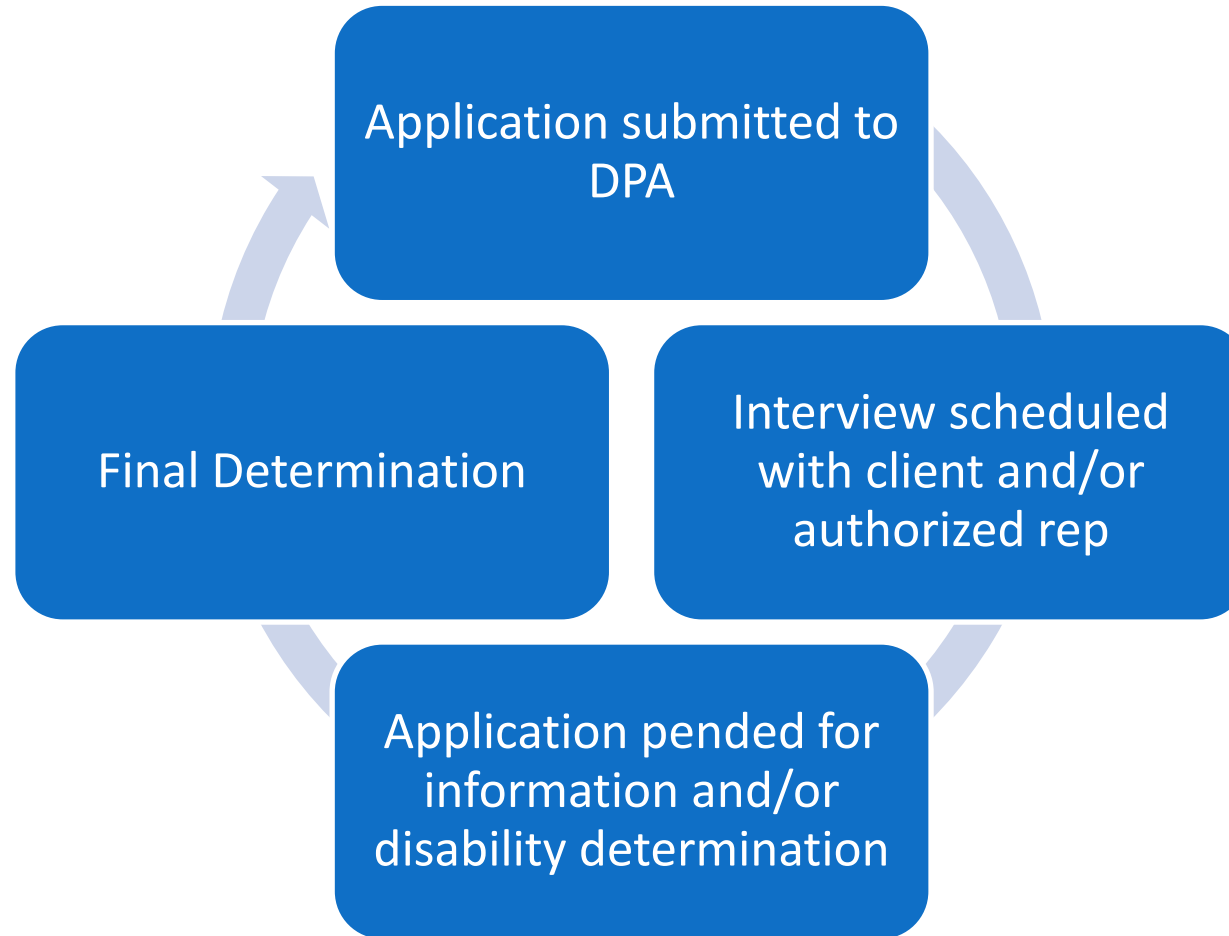

January 9-10, 2017

Changes and what's new

- DPA LTC office moved to Frontier Bldg Suite 120. Team has 9 case workers.
- Federally Facilitated Marketplace (FFM)
- Self Service Portal (SSP)

DPA Application Process

Application Process Continued

- Med 4 vs Gen 50c (8 vs 28 pages)
- Transfer of Asset (TOA) Declaration
- Med 12 (LTC Admission Duration form)
- Income and Resource Information
- Disability Determination if under age 65 (DDS vs SSA)

Application Process Continued

- Release of Information (ROI) Needed
- Medicaid Qualifying Trusts
 - a) If income or resources exceed limits
 - b) Contact LTC Office for a resource assessment (NH9 form)

What can cause delays

- No Transfer of Asset (TOA) Declaration
- Med 12 signed by someone other than a physician or not provided with application.
- No Release of Information allowing DPA to discuss case with Facility
- Financial information

Current Backlog

- Interviews scheduled out to 01/17/16
- Recertification's are current month
- Reports of Change (ROC) / Pends back to 02/2016
- Total 1,376 ROC/Pends needing action

What can help speed up the process?

- Have ROI completed at admit
- Try to have income and resource information submitted with application, but do not hold app for this.
- Ensure TOA question is answered on Med 4
- Submit Med 12 with application

Communication

- Release of Information (ROI) is needed
- Questions about Long Term Care (LTC) Medicaid should be directed to the LTC office. DSM should be used for secure messages. DPA.LTC@direct.dhss.akhie.com
