

## CCPO Approved Health and Safety Orientation Training – by Provider

Each of the training requirements must be completed through one of the approved training courses listed below. Health and Safety Trainings must meet specific content area requirements and be approved by the [Child Care Program Office](#) to be added to the Approved Health and Safety Trainings list. Health and Safety Trainings can be submitted to the Child Care Program Office @ [dpacclpolicy@alaska.gov](mailto:dpacclpolicy@alaska.gov), for review of content area requirements. Health and Safety Trainings submitted and approved will be added to the Approved Health and Safety Training list. Click on the provider's name below to access their courses online.
