

“We lost more than 100 pounds together using the online program.”

– Pete and Kristina from Anchorage

Free Programs for Better Health

READY FOR A CHANGE?

Alaska adults can join programs to **lose weight, stop smoking or vaping, lower blood sugar, or lower blood pressure.**

- All of these programs are **free**.
- Many programs **match you with a coach** so you don't have to do it alone.
- Many can be completed **online** or **over the phone** and **at your pace—wherever you are.**

Find the program that's right for you or someone you know.
