

Advanced Trauma Life Support

Traditional 2 Day Course

11th Edition Advanced Trauma Life Support® (ATLS®), is a continuing medical education program designed to teach a standardized, concise approach to the care of the trauma patient in the "golden hour"—the period of time following traumatic injury during which there is the highest likelihood of death.

Presented by the Providence Alaska Medical Center

Dates: March 21st and 22nd 2026

*Location: Providence Alaska Medical Center
West Auditorium*

Target audience: Practicing physicians, Residents, Advanced practice clinicians

Credit: ATLS is an accredited course for continuing medical education by the Accreditation Council for Continuing Medical Education. The American College of Surgeons designates this continuing medical activity as meeting the criteria for 17 credit hours in Category I.

Registration Fee:

\$850.00 Physicians (includes book and course materials)

\$700.00 Mid-Level (with card, includes book and course materials)

Cancellation: Fees are fully refundable if **cancellation is received four weeks prior** to the date of the course. After 4 weeks the fee is only refundable **if** the registrant's space can be filled.

Accommodation: The American College of Surgeons' ATLS Program complies with the Americans with Disabilities Act (ADA). Persons having a disability for which reasonable accommodation can be made, and wishing to attend the course, are requested to contact Michelle or Timeri on or before Monday, two weeks prior to class.
