

**Mandatory Coverage for
Eligible Juveniles who are
Inmates of a Public Institution
Post Adjudication of Charges**

State/Territory: Alaska

General assurances. State must indicate compliance with all four items below with a check.

In accordance with section 1902(a)(84)(D) of the Social Security Act, the state has an internal operational plan and, in accordance with such plan, provides for the following for eligible juveniles as defined in 1902(n) (individuals who are under 21 years of age and determined eligible for any Medicaid eligibility group, or individuals determined eligible for the mandatory eligibility group for former foster care children age 18 up to age 26, immediately before becoming an inmate of a public institution or while an inmate of a public institution) who are within 30 days of their scheduled date of release from a public institution following adjudication:

In the 30 days prior to release (or not later than one week, or as soon as practicable, after release from the public institution), and in coordination with the public institution, any screenings and diagnostic services which meet reasonable standards of medical and dental practice, as determined by the state, or as otherwise indicated as medically necessary, in accordance with the Early and Periodic Screening, Diagnostic, and Treatment requirements, including a behavioral health screening or diagnostic service.

In the 30 days prior to release and for at least 30 days following release, targeted case management services, including referrals to appropriate care and services available in the geographic region of the home or residence of the eligible juvenile, where feasible, under the Medicaid state plan (or waiver of such plan).

The state acknowledges that a correctional institution is considered a public institution and may include prisons, jails, detention facilities, or other penal settings (e.g., boot camps or wilderness camps).

The state may determine that it is not feasible to provide the required services during the pre-release period in certain carceral facilities (e.g., identified local jails, youth correctional facilities, and state prisons) and/or certain circumstances (e.g. unexpected release or short-term stays). The state will maintain clear documentation in its internal operational plan regarding each facility and/or circumstances where the state determines that it is not feasible to provide for the required services during the pre-release period. This information is available to CMS upon request. Services will be provided post-release, including the mandatory 30-days of targeted case management, screening, and diagnostic services.

The State will maintain clear documentation in its internal operational plan indicating which carceral facility/facilities are furnishing required services during the pre-release period, but not enrolling in, or billing, Medicaid. This information is available to CMS upon request.
