

Medicaid End Stage Renal Dialysis Service Rates

End Stage Renal Dialysis

The following are Medicaid treatment payment rates for End Stage Renal Dialysis services. The rates are all-inclusive, except that erythrocyte-stimulating agents and parenteral iron replacement products are billed separately.

Service Rate Table

The figures below are effective beginning July 1, 2025.

Service	Treatment Rate
Hemodialysis	\$448.53
Peritoneal Dialysis	\$156.58
