ATLS Traditional courses are two full days of in-person instruction, skills stations, and testing. Once registered in a traditional course, the student will receive an email from Atls.org with a link to their ATLS pre-test, pre-course modules, and electronic (PDF) ATLS 10th edition book. The pretest is mandatory, and the pre-course modules are optional.

ATLS Instructor Course

- August 14th
- April 10

ATLS Instructor's courses are one day of instructions and evaluations. Students must have completed an ATLS Traditional or Hybrid course within three years and have been identified as Instructor Potential to register for an instructor's course.
